## MASSAGES

### CANDLE MASSAGE

Warm, intense and embracing, it consists in massaging the body with the oil resulting from melting an aromatic candle made of Shea butter. By nourishing and moisturizing, it instills a feeling of wellbeing and relaxation.

50 minutes € 130

### LOMI LOMI NUI - HAWAIIAN

Originally practiced by Kahuna shamans as a spiritual and healing ritual, with long and continuous movements, aromatic oils, songs and music, this technique offers a feeling like gentle waves are moving over the body. Not only spirit and muscles, but also lymphatic and circulatory systems benefit from this massage.

45 minutes € 120

### PREGNANCY

Studied for the wellness of mother and child, it consists of a gentle pressure applied to the major muscle groups of the body.

It helps prevent and resolve the typical pregnancy ailments such as backache, sciatica, cramps and lower leg poor circulation. Medical certificate required.

50 minutes € 120

### DECONTRACTING

It involves the whole body and specifically the points most affected by poor posture, e.g. due to sedentary lifestyle and use of computers. Recommended to treat stiff neck, cervicgia, headache and muscle contracture. Not recommended in case of heart disease, hernias and varicose veins.

50 minutes € 120

### FOUR HANDS

2 SPA therapist work simultaneously on the same body with aromatic oils and synchronized movements. When four hands touch the same body at the same time, the brain ceases to associate the "who" with the "what", so it gives up control and relaxes deeply. This is a powerful treatment for anyone who has a hard time letting go during treatments.

50 minutes € 200

### COUPLE

In the same treatment room, with music and essences, 2 SPA therapists massage simultaneously 2 people. It is a great way to introduce someone to massages for the first time, because it makes them feel quickly at ease. This massage instills a sense of calm in the couple by increasing their intimacy.

50 minutes € 240

### BIO-ENERGETIC FOR CHILDREN (from 6 to 13 years)

Children learn much through tactile sensations received from the cutaneous receptors located on the whole body. The bio-energetic massage has its main feature in the contact: gentle movements, circles and vibrations help children familiarize with their body image, improve their posture and coordinate movements. Sensory integration thus enhances learning abilities, while the tactile stimulation strengthens the neural network, by encouraging the production of myelin sheath.

30 minutes € 70

### AROMA-MASSAGE

Derived from aromatherapy, which uses natural oils extracted from plants to enhance psychological and physical wellbeing, this treatment combines embracing movements with synergies generated by a mix of essences and warm oils on the body.

It is a gentle but intense technique, in which the aroma is the central element.

50 minutes € 120

### PINDA WITH HIMALAYAN PINK SALT

Relaxing and emotional, it involves the use of cotton hot pouches (healing pillows) containing salt. Salt generates dry heat and keeps a high temperature still for some time: this makes it effective in the treatment of various types of diseases, from stiff neck to back pain.

50 minutes € 130

### HOT STONE

It is carried out with stones at a temperature between 38 and 40 degrees, which gradually heat the parts of the body on which they are positioned. By activating vasodilation and metabolism, this massage provides benefits not only for the muscular, cardiovascular and gastrointestinal system, but also for the spirit: actually it offers excellent results with subjects affected by anxiety and panic attacks.

50 minutes € 120

### LYMPHATIC DRAINAGE - LOWER BODY

Ideal to treat lower limbs heaviness and swelling, which are often signs of water retention and poor circulation. By practicing manual drainage and pumping actions on legs, ankles and feet, it promotes lymphatic circulation.

60 minutes € 120

## HALOTHERAPY

Halotherapy, care with salt (from the Greek halos, salt) is a natural therapy that uses the healing properties of micronized sodium chloride, with remarkable benefits for the respiratory and immune system. The sessions are carried out inside the Salt Room, a space entirely covered in white salt with constant temperature and humidity, ideal to soothe, relax and detoxify.

Single session	35 minutes	€ 30
10 sessions package		€ 200

## RITUALS

### DOGANA DEL SALE

The body is entirely exfoliated thanks to a precious scrub made with salt crystals, combined with a shaping and rejuvenating massage made with a moisturizing, delicately fragranced lotion, for a moment of pure sweetness.

This combination gently removes dead skin cells and restores skin elasticity: an express beauty treatment leaving the skin soft and smooth.

60 minutes € 160

### BERBER - BODY

Exotic ceremony with a kaleidoscope of fragrances for the wellness of body and soul. It consists of 3 phases: scrub massage with Savon Noir, Ghassoul mask and Berber massage. The latter represents the climax in the ritual, with an eastern atmosphere recreated through music and aromas, and a slow, precise motion. The protagonist in Berber massage is the Argan oil, also called liquid gold, which is rich in vitamin E and performs an antioxidant and anti-aging effect.

120 minutes € 220

### BERBER - FACE, HANDS AND FEET

Based on Argan, this ritual is born from the union between Berber tradition and flavors of Morocco.

It is composed of 2 stages: a treatment with moisturizing, brightening and anti-aging effect; and a massage to stimulate specific energy points on hands, face and feet, which favors toxin removal and nutrient absorption in the skin. It is completed with a delicious mint tea.

90 minutes € 180

### HANDS OR FEET

Inspired by an ancient Eastern tradition, it consists of a massage with exfoliating, moisturizing and refreshing effect for the wellness of hands and/or feet. It provides tired limbs with softness and nourishment, while leaving the skin pleasantly perfumed. This ritual ends with a delicate and relaxing massage.

30 minutes € 80
